Election of Members of the City Conservative Committee _ Reso. lutions Adopted.

Conservative meetings were held in the several wards last night for the purpose of electing members of the City Committee to serve for the ensuing twelve months. We give below the proceedings of each meeting: MARSHALL WARD.

The meeting in Marshall Ward was held in the Club-House, at the corner of Twentyeighth and Franklin streets, and was called to order by H. Metzger, Esq., ward superin-tendent. On his motion, Mr. J. J. English was called to the chair, and Mr. James E Riddick requested to act as secretary. A communication was received from the

German Conservative Club of Marshall and Jefferson wards, stating that that club had elected Mr. H. Metzger as a member of the City Central Committee from Marshall ward, and requesting the Conservative Club of that ward to confirm the nomination. The subject gave rise to considerable discussion, during which a motion to table the communication was made and rejected.

The following nominations were then made: Messrs. H. Metzger, C. J. Fox., Sr. D. G. Richardson, George W. Donley, P. G. Coghlan, John A. Curtis, Dr. Crump, and R. B. Craddock. Tellers being appointed, the meeting pro ceeded to ballot, with the following result: Metzger, 37; Fox, 45; Richardson, 49;

Donley, 56; Coghlan, 42; Curtis, 40; Crump, 28: Craddock, 15. Messrs. George W. Donley, D. C. Richardson, C. J. Fox, Sr., P. G. Coghlan, and John A. Curtis having received the greatest number of votes cast, were declared duly elected. The meeting then adjourned.

The Jefferson Ward meeting was held at Odd-Fellows' Hall, and was called to order by Dr. McRae, on whose motion Captain Samuel Maccubbin was elected chairman, and John W. Wilks chosen secretary. The following resolutions, offered by Dr.

McRae, were unanimously adopted: " Resolved, That the thanks of this meeting are due, and are hereby cordially tendered, to our late city superintendent, Colonel John H. Guy, for the unflagging zeal and signal ability manifested by him in the discharge of the onerous, difficult, and responsible duties of his high trust. Resolved, That it is our earnest desire

and request that he again buckle on his armor, accept the leadership, and, by his cool deliberation, consummate skill, and excellent executive and administrative qualities, lay out the plan of battle, and once more conduct our forces to an overwhelming and glorious victory on the fourth Thursday in May next."

MOVEMENT IN FAVOR OF A REFORMED CITY Ticker .- A meeting of the voters of Clay Ward was held at the Westham House last night, and was presided over by Mr. Samuel B. Ragland, Mr. W. S. Davis, secretary. The meeting was held to organize a Re-

formed Conservative Club to nominate a reformed Conservative ticket, which will be voted for in the ensuing election. The President stated that it was to be understood at the outset that if the Republicans nominated a ticket that the nomination of this Club would be null and void. A committee consisting of Messrs. Wyatt, director of the Eureka Quartette, have been requested great State and city canvass of last year, by by a large number of friends of the church which the State was redeemed forever (as we to give another entertainment on Thursday night of next week. RICHMOND THEATRE - MISS LE CLERCQ.

The Theatre is, perhaps, less patronized than any other place of amusement in the city. In some respects it does not deserve much patronage, while in others the playgoers show poor taste in not sustaining it. The stock company is a good one, and the star this week is an excellent actress. But such an orchestra! Some of its music is well-nigh sufficient to drive a visitor away from the Theatre even though a good play were presented. Wednesday night, as well as last night

Miss Le Clercq appeared as "Helen Farraday" in Bartley Campbell's highly emotional play of " Fate." The play is somewhat simlar to the dramatization of "East Lynne" but while it possesses many of its attractive features is stripped of the objectionable

Mr. Ogden plays "Frank Farraday" in usual style. Mr. DeGroat played the part of Derwent," and played it admirably. Miss Le Clercq is a fine actress, but there are peculiarities in her voice which makes agains her. Miss Ella Wren represented the cool. calculating woman-the adventuress, whose history at last became known, and whose schemes were all finally foiled. She was in her element, and played with great spirit and interest. To-night is Miss Le Clercq's benefit, on

which occasion the " New Magdalen ; or, The "Geneva Cross" will be presented. Tomorrow afternoon "East Lynne" is announced for the mutinée.

VIRGINIA OPERA-HOUSE-THE WALLACE SISTERS .- To-night the Wallace Sisters, who come to Richmond with favorable recom mendations for affording pleasure and amuse ment to the theatre-goers, commence an en gagement at the Virginia Opera-House. In Philadelphia they were very cordially re-ceived, and appeared at Wood's Museum in their version of "Aladdin; or, the Wonde: ful Scamp." Their coming was modest and in good taste. The sisters have very recently visited Norfolk, and the papers there speak very highly of their performances. To-night "Aladdin" will be presented at

the Opera-House bere, with magnificent and costly scenery. One of the northern papers in speaking of the three sisters says that they are at home in every part they assume, and that they are first in their profession The applause of the audience, as they mad hit after hit, was the best evidence of their success. The troupe that sustained the sisters was in capital training, the orchestra was a fine one, and all passed off handsomely. Aladdin, or the Wonderful Scamp, kept the house in a roar of laughter; it is brimful of fun and wit."

A VERY IMPORTANT STEP IN MEDICAL SCIENCE

valuable medicines are extremely obnoxious, and some parients prefer to take the chance of drieg rather than repeatedly swallow them. The bes method yet devised to overcome the pans of tar, turpentine, caster off, cod-liver oil, etc., is that of CAPSULES, by which the odor is entirely confined and the medicament conveyed into the stomach without the knowledge (so to speak) of the tongue, palate, or throat. Thus castor off, the safest and most valuable of all known purgatives, can be taken agreeably and easily by adult or child. The CAPSULES made by DUNDAS DICK & Co. are said to be superior to all others. They contain ger medicines, are free from every objection, and, have ing obtained the recognition of the medical profestion. are now the only CAPSULES preicribed by physicians. DUNDAS DICK & Co. use more off of sandalwood in one variety of their CAPSULES than all other dealers combined. It is a most valuable remedy for the diseases for which it is used. They are put up in an elegant manner, expressly for the prescription trade, and the Improved style has so greatly increased the demand, both wt bome and broad, that their circulars are now printed in Eng. lish, French, German, Spanish, and Portoguese. and their superiority over all others is universally conceded .- New York Herald, December 14, 1878.

LEVY BROTHERS, Richmond, Va., have already commenced offering a splendid stock of spring goods. This firm is one of the largest this side of Philadelphia, and as they import direct from Europe many of their goods they can offer as great inducements to n erchants as any establishment in Baltimore or New York. We should like to see our dealers patronize the enterprise of Virginia, for the Messrs. LEVY certainly deserve it .- Stausaton Virginian.

SCIENTIFIC AND SAFE TREATMENT .- When applied with Dr. Pierce's Nasal Douche and accomnanted with Dr. Pierce's Golden Medical Discovery as constitutional treatment, DR. SAGE'S CATABRIL REMEDY produces perfect cures of the worst cases of catarrh and ozena of many years' standing. This thorough course of medication constitutes the only scientific, rational, safe, and successful manner of treating this odious disease that has ever been offered to the afflicted. So successful has it proven that the proprietor has long offered a standing reward of \$500 for a case of catarrh which he cannot cure.

INDISPUTABLE EVIDENCE .- Thomas J. Bishop, f South Brooklyn, N. Y., writes that his wife had suffered since a child with catarrh until it had resulted in what eminent physicians pronounced consumption; that she has used Dr. Sage's C_tarrh Remedy with Dr. Pierce's Golden Medical Discovery, and they have worked wonders with her case. STRALING OUR THUNDER .- People should beware of those impostors who not only try to imitate Dr. Pierce's Family Medicines, but also copy his original style of advertising by offering various sized rewards for cases of catarrh and other diseases which they cannot cure. Those who do not possess. sufficient Intelligence to enable them to write original advertisements of their own, but have to steal those of others, are not likely to have made great and valuable discoveries in Medicine. Lock out for

them. We call the stiention of our renders to the advertisement of LEVY BROTHERS in another column. They have an extensive stock of new spring goods, which they are offering at exceedingly low prices. This is a big house, and well deserves the re It has throughout the country .- Marion Patriot and Herald.
